CASE REPORT: MENINGIOMA WITH INTRA-TUMOURAL HAEMORRHAGE SECONDARY TO RUPTURED DISTAL ANTERIOR CEREBRAL ARTERY ANEURYSM

Due to an oversight, some minor typesetting errors were published in the article entitled “*Case report: meningioma with intra-tumoural haemorrhage secondary to ruptured distal anterior cerebral artery aneurysm*” in “*The Open Neuroimaging Journal*”, vol. 7, 2013, pp. 32-34. The names of authors, Ping Ho, Jian-Qiang Lu and Blaise Wheatley, were accidentally dropped from the list of authors submitted by the journal to Pub Med.
